Subject: EIOPA L3 CATsg - Catastrophe templates

Summary

The Cat RSG has been asked to provide their views on the catastrophe risk template to the Financial Requirements Group. The scope of work is highlighted in ECO-SLV-12-243, attached.

Some members (excluding Insurance Europe) have already been approached to give input on specific aspects of this template and the output has been summarized for discussion amongst the wider group. See documents: ECO-SLV-12-244 EIOPA L3 Cat SG - Detailed comments from Cat SG on the Catastrophe Reporting templates and ECO-SLV-12-245 EIOPA L3 Cat SG - SCR-B3F-Highlighted issues public consultation.

Action requested

Members are requested to send their feedback to ecofin@insuranceeurope.eu by **Friday 27 April lunch time** since Insurance Europe has to send its feedback in advance of the 3 May meeting.
