ECON Committee final vote on Solvency II and IRRD

Latest developments

On 29 January, the Committee on Economic and Monetary Affairs (ECON) of the European Parliament (EP) voted on the provisional agreements on the Solvency II Directive review and the Insurance Recovery and Resolution Directive (IRRd).

Both texts were adopted with the following results:

- Solvency II: 32 votes for, 1 against and 1 abstention
- IRRd: 30 votes for, 0 against and 4 abstentions

The agreed texts can be found [here](#) and full roll call vote results [here](#).

Next steps

- April (tbc) – EP plenary vote
