## ECON publishes amendments to the Solvency II proposal

On 1 August, the European Parliament's (EP) Economic and Financial Affairs Committee (ECON) published the following amendments (AMs) to the Solvency II proposal (Rapporteur: Markus Ferber – EPP, DE):

- AMs 206-412 ([here](#))
- AMs 413-596 ([here](#))

The abovementioned 396 new amendments are in addition to the 205 AMs proposed by Rapporteur Markus Ferber in his draft report which was published on 6 June and can be found [here](#).

The European Commission's original proposal can be found [here](#).

### Next steps

- The secretariat will analyse the documents in further detail and follow up with members in due course.
