Subject: Solvency II 2020 review - Indicative timeline

## Summary

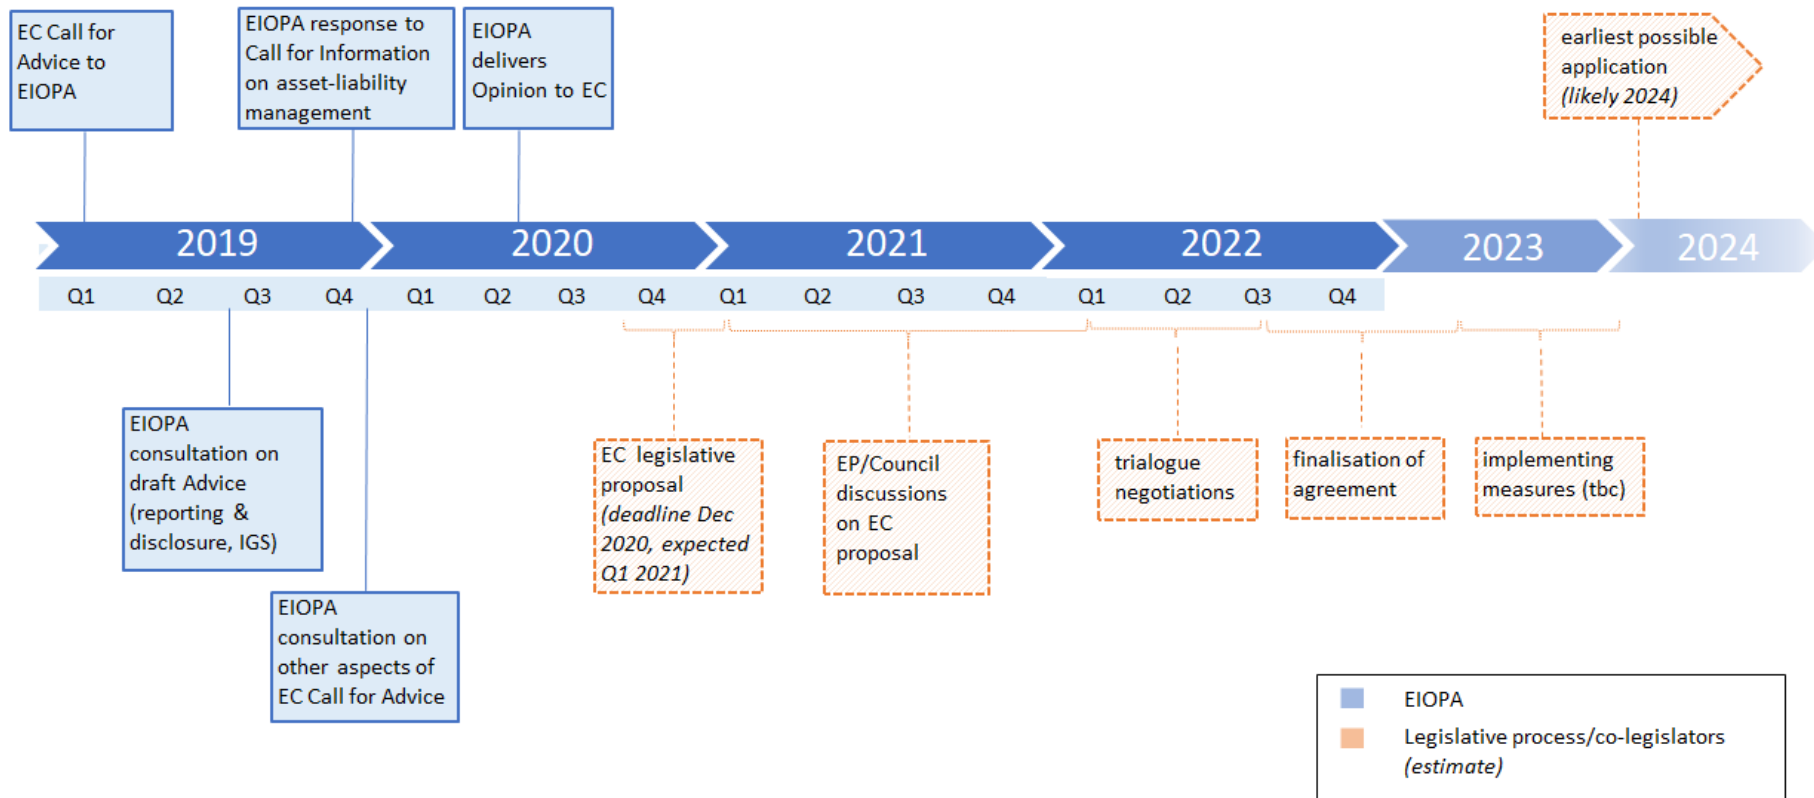

As agreed at the ExCo meeting in April, the secretariat has prepared a detailed indicative timeline for the Solvency II Directive 2020 review.

Members will find below the following overview documents:

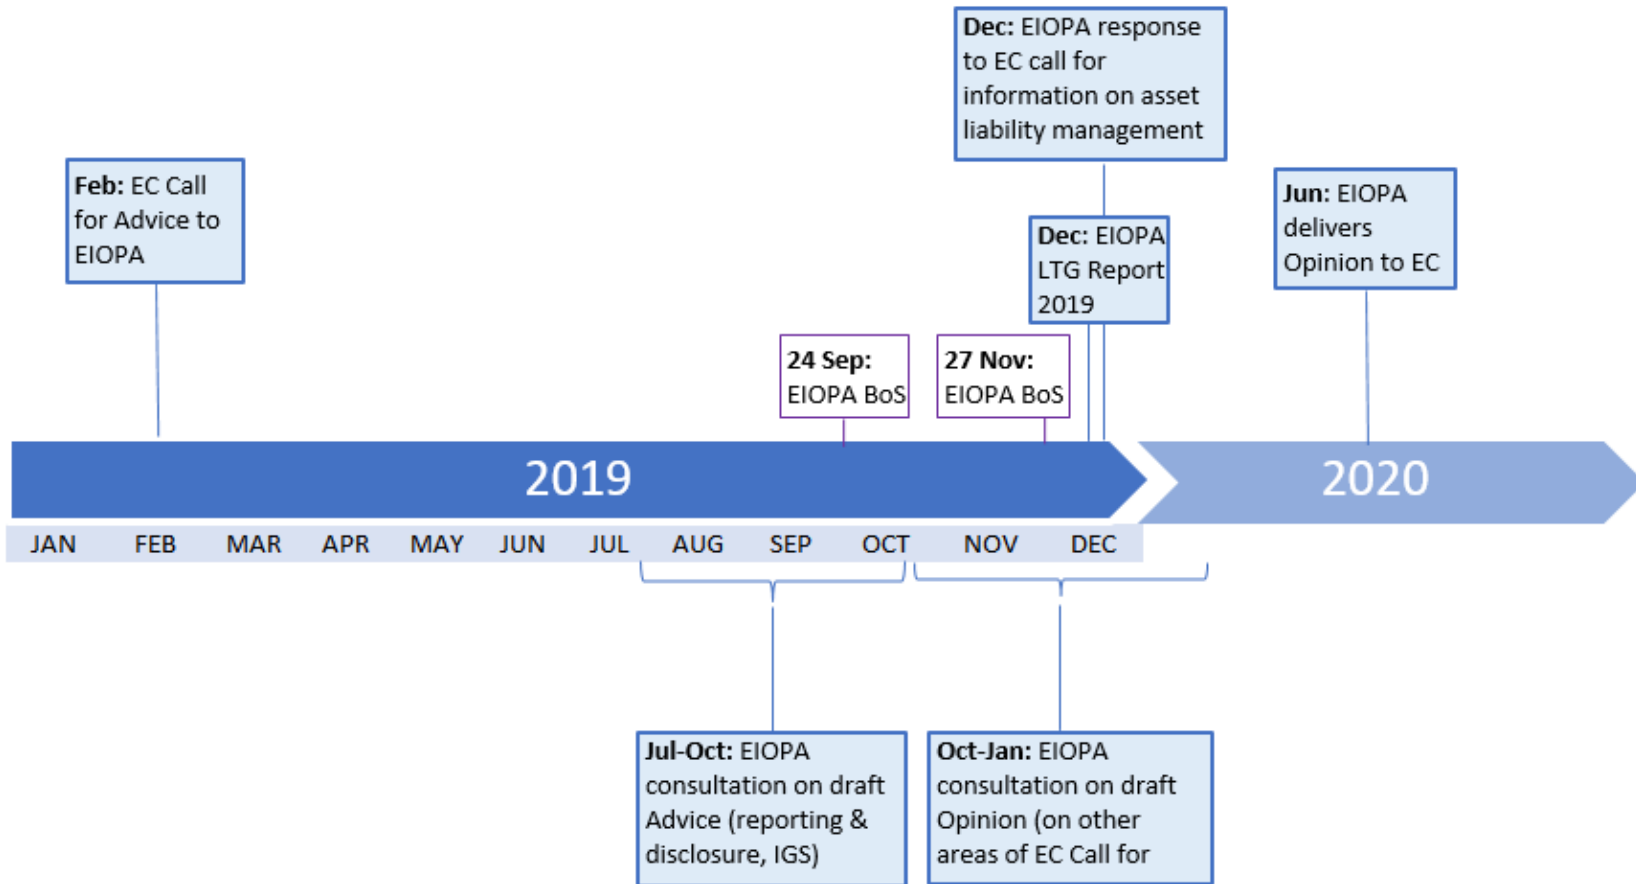

- Annex I: 2020 Solvency II review indicative timeline
  - It provides an indication of the Solvency II 2020 review general timeline, including EIOPA's work and future legislative process. Please note that the timing of actions by co-legislators is indicative and based on the secretariat's current understanding and best estimate.
- Annex II: EIOPA timeline 2019
  - This timeline includes a detailed overview of EIOPA's timetable, covering activities in 2019.
- Annex III: Detailed timeline 2019 (including planned actions and key dates)
  - This timeline provides an overview of EIOPA's activities in 2019 and indicates completed/planned engagement by the industry and dates of relevant Insurance Europe committee meetings.
